# Your Group Just Got Bigger? How to Add Passenger in Princess Cruise the Right Way Call [+1833-624-0944]

Cruise planning is rarely a solo endeavor. As the departure date gets closer, friends, family, and last-minute decision-makers often want to join the fun. If you find yourself with a growing travel party, you will need to Add Passenger in Princess Cruise Call [+1 833-624-0944]. Princess Cruises allows modifications to existing bookings, but the process depends on timing, cabin capacity, and the lifeboat safety limits assigned to your stateroom area.

#### FIRST, CHECK YOUR CABIN CAPACITY

Before you pick up the phone to Add Passenger in Princess Cruise Call [+1 833-624-0944], look at your current cabin's maximum occupancy. Not all staterooms can accommodate extra guests. The ship is divided into muster stations, each with a limited number of lifeboat seats. Even if your cabin physically has extra beds, you cannot Add Passenger in Princess Cruise Call [+1 833-624-0944] if the lifeboat capacity for that section is already full.

If you are booking four adults in one cabin, remember that guests 3 and 4 may have different fare rules. When you call to Add Passenger in Princess Cruise Call [+1 833-624-0944], the agent can check if those additional passengers qualify for promotions like "free sail" offers, where only port taxes and fees apply.

#### WHAT DOES IT COST TO ADD PASSENGER IN PRINCESS CRUISE?

The cost to Add Passenger in Princess Cruise Call [+1 833-624-0944] varies based on your original booking. If you booked as a solo traveler paying a 100% single supplement, adding a second person often only adds port taxes and fees, since you already paid for two fares. The original cruise fare typically does not increase when you Add Passenger in Princess Cruise Call [+1 833-624-0944] under these circumstances.

However, if the solo supplement was discounted, there may be an additional collection amount. In many cases, when you call to Add Passenger in Princess Cruise Call [+1 833-624-0944], the representative can confirm the exact additional charge, which is usually minimal compared to the original fare.

#### ADDING A THIRD OR FOURTH GUEST? CONSIDER PACKAGES CAREFULLY

If you are adding a third or fourth passenger to a quad stateroom, there are special considerations for beverage packages. Princess Plus or Premier packages cannot be purchased onboard for a third guest in a triple stateroom—they must be pre-purchased before sailing. For quad staterooms, guests 3 and 4 can only purchase packages onboard if both guests agree to buy them.

To avoid complications, when you Add Passenger in Princess Cruise Call [+1 833-624-0944], ask the agent to pre-purchase any desired packages for all guests. This ensures everyone has the same benefits from day one. Remember, packages are non-transferable, so each guest must have their own.

#### AGE REQUIREMENTS WHEN YOU ADD PASSENGER IN PRINCESS CRUISE

Before you Add Passenger in Princess Cruise Call [+1 833-624-0944], confirm that all new passengers meet Princess Cruises' age requirements. The minimum age is 6 months for most itineraries, including Alaska, the Caribbean, and Mexico, and 12 months for transatlantic and transpacific voyages.

Passengers under 21 must be in a stateroom with someone 21 or older who takes responsibility for them. For family groups booking multiple cabins, each stateroom must have at least one passenger aged 16 or older, provided they travel with a parent or legal guardian.

#### DOCUMENTATION REQUIREMENTS

The new passenger must have proper travel documents. It is the passenger's sole responsibility to obtain valid passports, visas, and proof of citizenship. If you need to Add Passenger in Princess Cruise Call [+1 833-624-0944] and the new guest lacks a passport for a closed-loop cruise (starting and ending in the same U.S. port), a birth certificate and government ID may suffice. However, Princess requires passports for all passengers traveling with minors and one adult on Western Hemisphere voyages.
